Mayor Mike Wisdom called the second public hearing for the Community Development Block Grant for the Wastewater project to order at 6:02PM. Beth clarified this is for the closure of the grant for the design part of the wastewater project.

Mayor Mike read the following notice: "The City of North Powder is in the process of completing its Wastewater System Improvements: Final Design project funded with Community Development Block Grant funds from the Oregon Business Development Department. The location of the project is: throughout the City of North Powder. It is estimated that the project has benefited at least 439 persons of whom 71.84% are low or moderate income.

A public hearing will be held by the City Council at 6:00pm on August 3, 2020 at the Wolf Creek Grange, 215 "E" Street, North Powder. The purpose of the hearing is for the City Council to obtain citizens views about the project and to take comments about the local government's performance. Written comments are also welcome and must be received by *July 31st* at 635 3rd St, PO Box 309, North Powder, OR 97867. Written, oral, and emailed comments (email: [cityofnp@eoni.com](mailto:cityofnp@eoni.com)) will be reviewed by the City Council".

Mayor Mike asked if there was any written or email comments. There were none. Councilor Joyce Lawyer wondered if the design was done. Beth thought we should be getting a copy of the design very soon. She explained that the public hearing was part of the "check list" for closing the design grant. The first hearing was done before we applied for the grant. This hearing was to allow citizens to ask questions to find out what was done. The next hearing will be the first hearing to apply for a construction grant.

There were no more questions or comments.

Public Hearing closed at 6:15PM.

Respectfully submitted,

Beth Wendt  
City Recorder
